I requested for the appointment of one Agricultural
Fieldman (in lieu of Agricultural Assistant) and 4 Agriculture
Demonstration Assistants for agricultural work in Panchayat Unions.
But no orders have been received so far. The Block Development
Officer, Kallakurichi reports that the agricultural schemes already
commenced and that the Extension Officer, for Agriculture, cannot
cope up much work single handed. I have, therefore,
in anticipation of Government sanction asked the District
Agricultural Officer, to post immediately one Agriculture
Fieldman, and 4 Demonstrators. I request him kindly
to do so in the interests of the Agricultural work, which will
otherwise suffer greatly. My action in this is liable to be
disapproved.

To A.S

With ref. to the orders of A.S, attention is solicited to para 5 of G.O No No 1232 Agri dated 15.4.54. The appointment of one Agriculture Fieldman, in lieu of a Gramasevak, Grade II and four demonstration maistries have been sanctioned to the N.E.S Blocks taken up in Oct.'53. Though the intention appears to be to adopt the same scale of staff for the future N.E.S blocks also, the orders in G.O No 1232 Agri. dated 15/4/54 are not specific to enable the Collrs to appoint these staff for the blocks taken up subsequently. As the Bainduru N.E.S block was taken up only in Oct.'54, the Collr has approached Govt. for the sanction of these staff. In the circumstances it is urged seem sufficient if the order in G.O No 1232 Agri. dated 15.4.54 are made applicable to N.E.S. blocks taken up during 1954 and also in respect of the future N.E.S. Blocks. Subject to orders, a revised draft order is sent up for approval.

Finance (E.I) Deptt.

The Collector of South Kanara, has directed the employment of one Agricultural Fieldman and four Agricultural Demonstration Maistries for agricultural work in the Baindur Block in anticipation of Govt. sanction. He has requested that his action may be approved.

6469
E I
FINANCE DEPTT.

In this connection the Pub(RDP) Deptt. have drawn attention to the orders issued in para 5 of G.O.No.1232, Agri. dt. 15-4-54, wherein the Govt. have directed that one Agricultural Fieldman to be employed in each Block

should be in lieu of a Gramasevak, Gr. II and the four Demonstration Maistries should be in addition to the strength of the staff sanctioned for each Block in G.O.No. 1264, R.W. dt. 27-10-53. They have also stated that as the orders in the G.O. at (G) are not specific to enable the Collectors to appoint these staff for the Blocks taken up subsequent to Oct. 1953, the Collector of South Kanara has come up to Govt. for sanction and that it would be sufficient if the orders in the G.O. at (G) are made applicable to the N.E.S. Blocks taken up during 1954 and also in respect of the future N.E.S. blocks.

The notes from p.1 above may be perused.

2. In G.O.No.1264, R.W. dt. 27-10-53, the Govt. sanctioned the necessary staff for each of the 28 Development Blocks in the N.E.S. area in the State. Subsequently in G.O.No.1232, Agri. dt. 15-4-54, the Govt. issued certain orders defining the functions of the Extension Officers in Agriculture in the N.E.S. Devt. Blocks, the scale of agricultural staff to be employed for each Block etc., In that G.O. it was ordered that there should be one Agriculture Fieldman in lieu of one Gramasevak, Gr. II and four Demonstration Maistries for each block to work under the Agriculture Extension Officer. It was also specified that the above staff should be in addition to the strength of staff sanctioned for each Block in the G.O. at (N).

A perusal of the G.O.at (G) seems to indicate that the orders in paras 3 to 6 of the above G.O. alone will apply to the N.E.S. blocks already sanctioned. The instructions in paras 1 and 2 of th above G.O. merely define the duties of the Extension Officers in Agriculture and the scale of agricultural

staff for each block as there seems to be no specific instructions limiting the scope of these orders to the N.E.S. blocks already sanctioned alone, and as the orders are also only of a general nature, it would seem that these orders will apply to the blocks already sanctioned as well as the blocks to be sanctioned in future. In view of this position the need for issuing orders for making them applicable to the N.E.S. blocks taken up during 1954 and subsequently does not seem to arise. In the present case the Collector of South Kanara, has asked for the sanction of the Govt. because the instructions in the G.O. at (G) merely contain the scale to be adopted for the employment of agricultural staff in each block and do not carry with it the sanction for appointing the staff. It is necessary to issue orders sanctioning the required staff on the above basis for each block as and when required.

The Pub(RDP) Deptt. may, therefore, be requested to modify the draft order suitably so as to sanction the appointment of the staff required by the Collector of South Kanara, and also ratify the action of the Collector in having appointed the staff in anticipation of sanction.
